

Case Study (Tokai University)

Projectors are mainly installed in a auditorium and large seminar classrooms

Selected projectors:

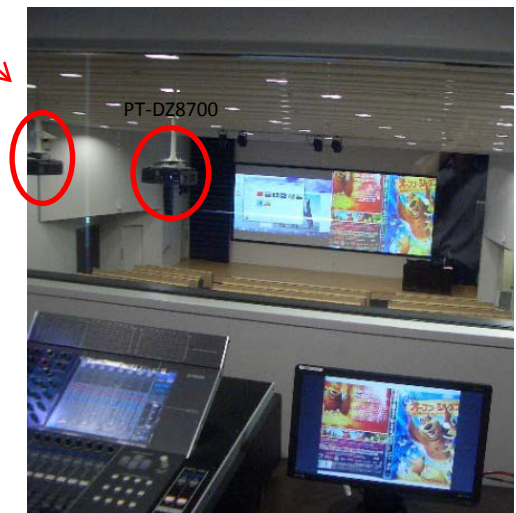

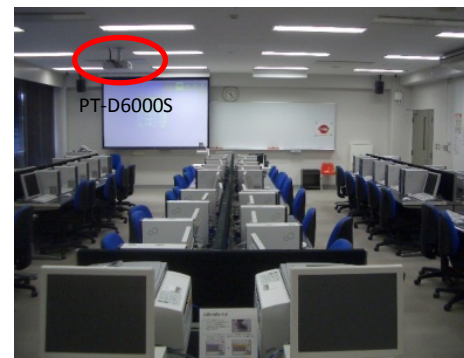

- 1 unit of PT-DS8500
- 2 units of PT-DZ8700
- 4 units of PT-D6000S
- 2 units of PT-DW530
- 5 units of PT-FW430
- 29 units of PT-F300NT

*Projected on to 200 – 240 in screen

Why Panasonic projectors were selected?

- Durability and high reliability
- High picture quality even on a large screen
- Quiet fan noise

In the near future, University is considering to install same level of projectors from Panasonic for lecture classrooms.

Internal Use only
